SEA KING MARINE

The name you can trust upon

The Company at a glance

Sea King Marine Services Ltd was formed in 2007 on an idea to create a common platform to offer the shipping industry all the required services as a '**one stop marine solution**' especially in Chittagong port. To settle all marine requirements, the concerns of '**Sea King Group**' stepped forward in marine industry as a symbol of confidence and reliance.

Over the past 14 years, **Sea King Marine Service Ltd.** earn huge experience in Bangladeshi ports for different kinds of cargo especially (minerals, cargoes, Stones, and grains). As a result, the Management decides to establish a separate entity to be more specialized and dedicated to the agency services **Sea King Marine Service Ltd.** is perfectly positioned in this industry throughout a strong presence in all Bangladeshi ports especially: **Chittagong, Mongla, Payra, and Matarbari.**

We handle diversified types of vessels such as dry bulk carriers, tankers, general cargo, RORO vessels, etc. We provide our principals with competitive rates whether for **port disbursements** or for any service related to cargo operations.

Sea King Marine Ltd, SeaTech Ltd, Sea Store™, Sea Agent Ltd, are the sister concerns of **Sea King Group** which support marine recruitments, technical/workshop services, marine and industrial supplies and port agency services in Chittagong port in Bangladesh. As moving forward to modern edge of shipping era, '**Sea King Group**' is turning into a part and parcel of shipping industry with his signature reliable services and revolutionary ideas of a single digital maritime platform.
