skmsbd.com

Welcome to Sea King Marine Services Ltd.

A leading Crew Management in Bangladesh which complies with the standards of ISO-9001:2015 & MLC 2006. We are authorized by the Govt. Shipping of Bangladesh. **Sea King Marine Services Ltd.** is reigning exclusively in the Crewing sector since 2007. For Merchant vessels, Off-shore vessels & various kinds of Projects, we source and recruit Bangladeshi crew all over the world. Our management has a large pool of dedicated personnel who strongly emphasize efficiency, pro-active & professional mentality that's make us reliable partner for our every client.

Group Introduction

Sea King Marine Services Ltd. is a concern of "**Sea King Group**". Based on the tag line '*Your digital anchorage*', the group was formed in 2016 on an idea to create a common platform to offer the shipping community all the required services as a '*one stop marine solution*' specially in Chittagong port.

To settle all marine requirements, the concerns of '**Sea King Group**' stepped forward in marine industry as a symbol of confidence and reliance. **Sea King Marine Services Ltd, SeaTech Ltd, Sea Store™, Sea Agent Ltd,** are the sister concerns of **Sea King Group** which support marine recruitments, technical/workshop services, marine supply services and port agency services in Chittagong port in Bangladesh.

As moving forward to modern edge of shipping era, '**Sea King Group**' is turning into a part and parcel of shipping industry with his signature reliable services and revolutionary idea of a single digital marine platform.
